Check all of the possible times to have a "Go-to Meeting"

- ☐ During an on Campus Group study session
- ☐ During any available office hour. Calling the posted "office phone number" will allow me to request the "go-to meeting".
- ☐ During an MM section meeting.
- ☐ Anytime, because clicking on the provided link will alert the teacher to your need.
- ☐ In the morning when Clem plays Raquetball

#### QUESTION 7

2 points Save Answer

According to the syllabus/class policy, check all of the following that are good ways to watch the videos

- ☐ Watch the video while watching TV
- ☐ Trying to create the program described in the video while watching
- ☐ Watch the video while taking notes

- ☐ Watch the videos while sending text messages.

**QUESTION 8****2 points** Save Answer

If you are having trouble getting your program to work, the class policy recommends doing which of the following:

(check all that apply)

- ☐ Requesting a "goto meeting" with the instructor. The request is done by sending an email to the instructor.
- ☐ Attend the live classes in another section of CPS 161.
- ☐ Calling the instructor on his office phone during an office hour.
- ☐ Coming to a Group study session and getting help from a trained facilitator or another student in group study.
- ☐ Sending an email to the instructor as soon as you are stuck.
- ☐ Posting a question on one of the "Class Participation" discussion boards and hoping to get an answer from a fellow student. It would be helpful to subscribe to the question so you will know when someone might be answering the question.
- ☐ Coming to one of the instructor's office hours.

**QUESTION 9****2 points** Save Answer

Good reasons to show up to a Mixed Mode class session. Check all that apply.

- ☐ I can work on assignments and get timely help when I am stuck
- ☐ I can watch video lectures with "Ear buds" and ask questions whenever something needs clarification.
- ☐ I will improve my grade because of the "Practice bribe formula"
- ☐ Programming requires consistent practice. Coming to an MM class section gives me an opportunity to practice my programming skills by working on my assignments.
- ☐ I can use the WCC computers to do my Facebook

**QUESTION 10****2 points** Save Answer

According to the syllabus/class policy, it is OK to team up with another student and turn in the same code for an assignment as long as we indicate this in the Student comments section.

- ☐ True
- ☐ False

**QUESTION 11****2 points** Save Answer

Which of the following are true about email. (Check all that apply)

- ☐ Class emails will automatically come to your Student email address, so it is good to monitor this on a regular basis.
- ☐ Sending an email to the teacher is the best way to get help. This should be done immediately whenever I am stuck on anything.
- ☐

Blackboard knows your personal non-student email addresses and that is where you will receive class emails

- ☐ It is a good idea to send an email to the teacher when I want to schedule a Go-to Meeting.

---
