

27th Letter

Design a 27th letter either (or both) upper or lower case that seamlessly integrates into an existing typeface both visually and conceptually.

CHOOSE YOUR TYPEFACE

Select a standard serif or sans serif typeface for this project. You should choose one from one of the following categorizations:

- » Humanist serif or sans
- » Transitional serif or sans
- » Geometric sans serif
- » Slab serif

CRAFT

Zoom way in for technical accuracy. Your goal is to have clean, smooth lines that look refined and professional.

PRESENTATION

We will do a quick critique near the end of class today.

For next class period, turn in a digital file of your new letter on an 11x8.5 (paper, landscape) inch B&W document, with your 27th letter integrated with the rest of the alphabet.

Save your file as 27th_yourlastname.pdf
